

MAJESTIC RANCH ACADEMY

Majestic Ranch Academy, Inc. is a boarding school for boys and girls in 3rd through 9th grade located on a 2000 acre ranch 20 miles east of the beautiful Bear Lake in Randolph, Utah. Majestic Ranch Academy provides a balanced education that includes individual academic instruction, a structured daily schedule, a character development course, recreation, and a

physical fitness course.

Our ranch setting, in addition to our schooling, provides an excellent opportunity for our students to gain responsibility and increased self-esteem by assisting with ranch duties in a beautiful and peaceful environment conducive to change. Students help with calving, lambing, caring for cattle and sheep, and other ranch activities. During the Spring and Fall, the students are involved in Sheep Trail and have the experience of sleeping in the outdoors as they push sheep to and from their Summer pasture. Their insight, awareness and perspective is broadened as they participate in these experiences and learn accountability for their actions.

Our year-round academic instruction is done on an independent basis in a classroom setting. We use Oak Meadows School and Calvert School for our accredited curriculum and lessons. Each student is self-paced and monitored by our on-site teachers. The students are in class five days a week from 8:30 a.m. to 4:30 p.m. They also have physical education, reading, art, and music throughout the day.

Majestic Ranch Academy provides a structured and nurturing environment for

our students to make necessary changes for their success. As they make changes in their schooling and participate in our character Development Course, they develop skills to help them be successful when they return home to their school, community, and family.

Our daughter, Antonia, was at Majestic Ranch for one year. Our family has attended all of the seminars. We have grown as individuals and parents beyond our expectations and our daughter is experiencing the same kind of growth. Cynthia

Have faith. I am now a law abiding, handsome, loving, pure, divine young man. There is nothing greater than this Program, in my experience, for an emotionally unsure/unstable child. Just hang in there, and have faith. Give your child this opportunity, and you will not regret it. Look forward to the future. Dan

Majestic Ranch turned the breakdown of my family into a breakthrough. Because I was willing to do this Program, my children are now on their true paths – and so am I. When we reach a point where enough is enough, we must learn to throw off the burdens and restrictions that limit us. By shattering these patterns and limitations, we allow vital energy to flow within us. I got to a point when I knew I could not control my children. My life was in chaos. I had to do something, and the Program was the method that got us through the darkness into the dawn. I had to persevere and trust the process. And now I am grateful and amazed at the vitality, power, healing and happiness this break through has brought my family. Lisa

Thank you Majestic Ranch for all you are doing for my son Serafin. I thank God you are here to help him through, and better himself inside and out. Thank you also for giving me the chance to grow with my son and go through the seminars. God bless you all, I appreciate your patience with Serafin and truly being there for him. I can honestly say I love you all because you were all we had when that hard time came. It is beyond appreciation what I feel for Majestic Ranch. Kate

We thank Majestic Ranch and appreciate all that they have done to help our daughter Sara, to grow and once again become the beautiful young woman we all know she is. As I see Sara changing, regaining her beautiful personality, have goals and regaining trust, I feel more grateful than ever that you are there. Thank you so very much for all your hard work and dedication to the students at Majestic Ranch. Sandra

Majestic Ranch Academy provides some key educational components. This includes a series of highly effective character building seminars and workshops that teach: Accountability, honesty, integrity, trust, proper choices, responsibility, and self-esteem. Parent Support Meetings and Seminars that are especially designed for parents are also provided. The culmination of the Seminars is when parents and students are invited to attend Parent/Child Workshops. These Workshops are critical to improve communications, rebuild relationships and create family unity. Majestic Ranch Academy has a progressive academic curriculum which is individualized and competency based. Most of the courses are completed on computers using state of the art curriculum that includes interactive features, graphs, illustrations, video clips and other multimedia teaching. Majestic Ranch Academy is utilizing the academic technology of the future, today!
